The principal contact person at our organisation will be:

Name Signature

Job Title/Department

Organisation

Address

Telephone No. Email

Invoicing address (If different from above):

Order No.

Terms and conditions of corporate membership

- Access may be restricted to specific named areas of the website, this will certainly be applicable to the members list which gives information about individual named contacts at each of the Housing Quality Network member organisations and will also include any information that HQN consider to be commercially sensitive
- Private sector organisations will not be listed as members on the website
- Membership can be withdrawn at any time, including if the organisation becomes a competitor organisation
- Private sector organisations can only join the Network at Associate level (and therefore cannot benefit from free or reduced places at HQN events)
- Each individual application will be judged on its merits with the final decision on membership being with either Claire Turner (Network Manager) or an HQN Director.

Thank you. Please return or fax this form to the address below:

Please note that network membership is for individual organisations (or groups) and the staff employed by those organisations (or groups). Tenants and board members/councillors linked to the organisation/group that holds network membership can also access all member benefits, including the website password and published briefings. Members must not share any member benefits with other organisations who are not network members, as this devalues the benefits of membership for paying members. This includes sharing the password and the forwarding of emails, briefing papers or other documents to non-member organisations. HQN reserves the right to terminate network membership in cases of a breach of this code. We are, of course, happy for members to refer to network publications at meetings, etc. If further clarification is required, please contact hqn@hqnetwork.co.uk and your enquiry will be forwarded to the relevant network manager.
